

# Waves at CQeST: Gravitational Wave Experiments Tackling Cosmology and Particle Physics

## Wednesday, November 30, 2022

**Lecture 4: Lecture 4 - R1029 (4:30 PM - 5:30 PM)**

time	[id] title	presenter
4:30 PM	[M] Detection Methods of GW (differentiating GW from cosmological origin to those of astrophysical origin)	Prof. SAKELLARIADOU, Mairi
