

# String theory, Gravitation, and Cosmology 2026 (SGC 2026)

---

## DATE

July 6 – July 10, 2026

## VENUE

Seoul National University Siheung Campus  
Hotel & Convention Center

## — SCIENTIFIC SCOPES & TOPICS —

- String Theory and its Applications to Cosmology
- Black Hole Thermodynamics and Quantum Information
- Classical and Quantum Theories of General Relativity
- Modified Gravity

Official Conference Website (Registration & Abstract Submission):

<https://indicocquest.sogang.ac.kr/event/42/>

## ORGANIZING COMMITTEE

Seunghun Oh (Tech University of Korea, Chair)

Wonwoo Lee (CQUeST, Sogang University)

Miok Park (CTPU-PTC, Institute for Basic Science)
